This event is an important fundraiser to our board as the funds received support the scholarship given yearly to Warsaw High School Seniors to allow them to continue their education at either college, technical or trade school. Currently, there are 2-\$1,400.00 scholarships given each year from the Alumni Association. Due to the generous donations of former alumni and successful past events, we have been able for the past several years to award an additional \$1,500.00 to the applicants not chosen as the winner and alternate. These scholarships have proven to be very helpful in assisting the winners with monies for things not covered by their student loans, such as transportation costs or living expenses so they can continue their education. As a 501(c)(3) Organization, any donations to the Alumni Association are tax deductible and can be made at any time for memorials, gifts and beneficiary designations. If you would like additional information or to donate to the Scholarship Fund, please let us know or you may indicate the amount you desire to donate and mail a check to the Warsaw Alumni Association, Inc.

You can also check us out at <http://warsawschoolalumni.com> or on Facebook @  Warsaw Alumni Association, Inc.
